Looking Ahead: FERC timeline for providing feedback on the Initial Study Report

- IFP will file a meeting summary with FERC with 15 days (by July 8, 2025)
- Participants will have 30 days from that filing date (until August 8, 2025) to provide comments to IFP, request new studies, or suggest modifications to existing studies.
- Within 30 days after that (by September 1, 2025), IFP will respond to comments.
